What We Have Noticed: Scott, CycleOps, Cobb, NUUN and more ^{new}

Written by: Herbert Krabel
Date: Mon Jan 19 2009

Today we introduce you to triathlon shoes from Scott USA, a trainer from CycleOps, a saddle from John Cobb, a beverage from NUUN and a very interesting concept light system.

CycleOps Super Magneto Pro trainer

What: The Super Magneto Pro offers 4 resistance curves; easy, road, interval and mountain through 4 rare earth, spring-loaded magnets.

Weight: 23 pounds
MSRP: \$399
Website: www.saris.com
